

I'M YOUNG, BUT I WASN'T BORN YESTERDAY.

I know a good thing when I see it—like **health coverage through Medicaid and CHIP**. And I'm here to talk it up. It's low-cost or free for children and teens up to age 19. And parents may be eligible for Medicaid too. Us kids can get regular check-ups, shots, doctor and dentist visits, hospital care, mental health services, prescriptions and more. Families of four earning up to nearly \$50,000 may qualify (or even higher in some states).

You can enroll any day of the year, but why put it off when you can protect your family (and your finances) today?
